ACCOUNTANT'S REALIZATION

WINS RICH THREE-YEAR-OLD EVENT IN A DRIVE WITH ENTREE.

Second Part of the Double Event Goes Easily to Water Pearl—E. R. Thomas Now Has Half Interest in Him.

New York, July 10.—The Lawrence Realization, richest of American Stakes for three-year-olds, and the second half of the Double Event for two-year-olds, were the magnets that attracted thirty thousand persons to the beautiful Sheepshead Bay race course of the Coney Island Jockey Club on its closing day. The occasion was sentimentally and, above all, financially joyous. With the solitary exception of Azelina, every winner was heavily supported by the talent and public alike. The sport was voted grand and the weather glorious. Just before the fifth race the spectators were treated to a pyrotechnic display, which preceded a cooling rain fall that gratefully tempered the heat.

Diamond Jim Brady's $45,000 Accountant, ridden by Jack Martin, vanquished a brilliant field of horses of his own age in the big race of the day over the trying course of one mile and five furlongs. His owner won out his purchase price in wagers alone. Indeed it is said that the corpulent New Yorker, sent in a $20,000 commission on the aptly named Filegrane—Reckon colt and then hied himself to a closet in the rear of the grandstand and stayed securely locked in while the race was being run. The winner was always close to the early leaders and at the half headed Ormondale, drawing out into a clear lead on the turn and was only meanced right at the end by the wonderfully improved Entree. Miller rode Bull's Eye into a close third. Ormondale, which showed less stamina than usual, was done at the mile.

In the second part of the Double Event, Water Pearl rehabilitated himself grandly and convincingly and showed that he is still at the top of the heap in the two-year-old division. With 129 pounds on his back and ridden with a view of utilizing at the proper moment his superlative speed, the big Watercress colt, at the right moment, galloped away from such cracks as Peter Pan, Superman, Sewell, Oran and Ethon as if they had been trained between the shafts of milk carts.

Monfort and Miller again proved an invincible combination when over the straightaway course. The steeplechase race sustained interest from start to finish and was won in a truly run race by Tom Cogan. The Woodlands-bred Azelina beat some fast selling platers in the sprint. Rye again brought the money home for the improverished Tammany "push," and Onatas asserted his superior class in a hard fought victory over the grass course in the last race.

George W. Langdon has engaged jockey W. Knapp to ride Flip Flap in all her engagements this season.

E. R. Thomas marked a renewal of interest in racing in a sensational way by acquiring yesterday a half interest in the two great two-year-olds Water Pearl and Charles Edward for $50,000, and it is reported on good authority that the former owner of the great Hermis more than won out the purchase price on Water Pearl's victory in today's Double Event.

Alex Shields has voluntarily withdrawn his horse Go Between from the Brighton Handicap, the richest of the trio of famous mile and a quarter handicaps. This was done in order to avoid the entailing any further action on the part of the Stewards of the Jockey Club in the event of a new protest arising regarding the eligibility of the Meddler five-year old. The scratching of the great little horse is keenly deplored in turf circles generally. Among horsemen the opinion prevails almost unanimously that the Suburban winner would have but little trouble annexing the rich Commonwealth Handicap, won by Sir Huon, had he been allowed to start.

J. E. Madden's three-year-old, The Quail, who has since the shelving of Burgomaster, been acclaimed the best of his age, and who was thought to have a mortgage on the Realization for several weeks, hit himself in his last workout, cutting a deep gash on his right hind ankle. This explains his absence from the Lawrence Realization.

There were exclamations of surprise at the appearance of Oran when he paraded to the post in the second half of the Double Event. The brilliant Ossary colt, thin and dwarfed besides the gigantic trio of opponents, Water Pearl, Peter Pan and Superman, looked as if he had been drawn through a knothole, only a wraith of the former sturdy and virile youngster that achieved so many important victories of late.

FINDS NO BETTING AT ROCKINGHAM PARK.

County Attorney, However, Is Not In a Pleasant Frame of Mind—Oxford Is Ailing.

Salem, N. H., July 10.—County Attorney Batcheldor paid another visit to Rockingham Park this afternoon. He said he had received information that betting was being conducted at the track. He was told that he was welcome to seek evidence of it. He went over the spacious grounds and admitted that there was no apparent violation of the law. He was not in a good humor about it, however, and declared that he felt confident from stories told him that in some way such a thing was going on and that if it was not stopped, he would arrest every person on the grounds. After issuing this proclamation the county attorney passed out of the front gate, while the band struck up that popular ballad entitled "Why Don't You Try." As a matter of fact the Pinkertons have suppressed betting at the track and should the county attorney attempt to put his threat into execution an exciting time may be looked for.

Thirteen may be an unlucky number, but G. L. Richards, of Boston, is not one who believes in the superstition. His chestnut filly Nellie Burn, winner of the National Guard Handicap of $1,500 for three-year-olds at one mile and a furlong, the day's feature, was named for a thirteen-year-old girl, and the filly won her first race today after finishing second just exactly thirteen times. Nobody conceded her a chance with Zienap and Penrhyn. The latter gave it up after half the distance had been traversed, whereupon Zienap took command and, coming fast into the stretch, looked like the winner. Then Wiley went to work on Nellie Burn and landed her winner by a neck.

In the first race Cherry Blossoms became fractious at the post and unseating McIntyre, bolted for the piney woods. The start was made without her.

After his race last Saturday Jimmy McLaughlin's bread winner, Oxford, contracted a bad cold, and now has a high fever.

CONDENSED HISTORY OF THE LAWRENCE REALIZATION STAKES.

When Mr. J. G. K. Lawrence, the accomplished Secretary of the Coney Island Jockey Club devised the ingenious conditions of the Futurity, he hoped it would be the most valuable race of the world for two-year-olds and counted on its becoming worth $100,000 of gross annual value. As its sequel he worked out the conditions of the Realization Stakes, called the Lawrence Realization in his memory since his death. It was his hope that this event would be as distinctly first in point of value among stakes for three-year-olds as the Futurity was to be among fixtures for two-year-olds. His aspirations were not fully realized in the case of either, but both are of the very foremost events of the American turf and keenly coveted by all men who own and race thoroughbreds.

As in the case of all big stakes the entries to which are of foals or yearlings, it frequently occurs that some one or more fine three-year-olds crop up that are not eligible—as in the case of Sir Huon this year—but in the main the Realization has annually been contested by recognized cracks, such stars as Salvator and Tenny finishing first and second in its first year of running. Since then it has fallen to such great three-year-olds as Tournament, Potomac, Tammany, Dobbins, Requital, The Friar, Hamburg, Ethelbert, Africander, Ort Wells and Sysonby. Its condensed history is as follows:

APPLAUSE FOR NICOL AND ALMA DUFOUR.

Corrigan Mare, Splendidly Ridden, Runs Another Fast and Game Race at Latonia.

Cincinnati, O., July 10.—In the mile handicap at Latonia today Alma Dufour ran one of the gamest and best races of the season. Apparently beaten a furlong out, she came on and won in as supreme a test of thoroughbred courage as has been seen in a long time. She was favorite for the race and well backed. Nicol had the mount and he put up a ride that would have been a credit to any saddle artist. The liberal applause accorded him when he came back to the scales was well merited. Cottontown was the pacemaker for nearly the entire trip. The time for the race was 1:39⅘. This was fast, considering that the track was at least one second slow.

For the second time here this season, a 100 to 1 shot scored when Minnie Johnson led her company in the second race. She had enough support from the small speculators to force the price from 150 to 100 to 1. It was the mare's second start at the meeting. She had only gone to the post once previously since the winter season and that was at the Louisville spring meeting. She won a couple of races last winter at Algiers and, although she had been identified, the judges again had her vouched for by reputable turfmen before bets were paid.

The defeat of the Corrigan fillies, Catherine H. and Margie, were hard blows to the talent. The victories of the favorites, Outwai and Marsh Redon, helped form followers out to some extent as did also that of Topsy Robinson.

For rough tactics in the handicap on Major T. J. Carson, jockey Aubuchon was fined $25 and cautioned by the judges. In the first race Aubuchon fell with Bedrice on the way to the post and was stunned. C. Fisher was substituted.

Jockey D. Boland was scheduled for four or five mounts, including Outwai, but was excused on account of illness.

C. C. McCafferty lodged a protest with the judges against the payment of the purse to Minnie Johnson on the ground that E. E. Pratt was not her trainer, despite the fact that he is registered as such. He later withdrew the protest.

Solvent has been castrated and turned out.

Pat Dunne is negotiating for the purchase of Friction.

WESTERN TURFMEN DOWN EAST.

A great many reputable western owners who, if conditions now were as they were a few years back, would be racing their horses over the western tracks, are contributing to the attractiveness and prosperity of New York racing through having taken their stables east. They are welcome to the officials of the various racing organizations and are in all essentials the equals of eastern turfmen. The performances of Sir Huon, Ram's Horn, Ethon, First Mason, Sewell, Phil Finch, Nannie Hodge, King's Daughter, Colonial Girl, Tokalon, Bad News, Handzarra, First Premium, Fountainblue, Dashaway and other western horses have added greatly to the interest of New York racing and altogether the somewhat extraordinary accession of western owners has been a highly beneficial factor in the way of contributing to the success of the sport on the Metropolitan tracks.

But some of the baseball reporters who describe and comment on racing affairs for the New York dailies dislike the westerners. One of these newspapers recently published a long attack on western owners, turfmen and bookmakers—quite amusing, because of its supercilious assumption of superior morality and honesty in turf methods on the part of eastern turfmen and eastern bookmakers. Most of the article purports to be a monologue delivered by a "big bookmaker" and, in part, is a vicious diatribe against L. A. Cella, who seems to have disturbed and offended some of the notorious "Mets." Further than to remark that Cella is a person who has heretofore demonstrated conspicuous ability in the way of taking care of himself, that point is of no consequence to western turfmen, but the narrow-minded provincialism of such an article is.

The fact is that the controllers of the turf in the east could, if so disposed, learn much of value from the west in the line of strict discipline, and those who control western racing would be benefited by emulation of the wise liberality of the east in financial affairs. Outside of details of management there is little difference. Eastern turfmen are no better and no worse than western turfmen. In both divisions are many men of integrity and high character and in both the inevitable contingent of black sheep. Any ascription of superiority to those of either section is silly rot.

ONE OF THE PUZZLING THINGS.

"That beats anything I ever saw," said a well known horseman after Hermis had been knocked down to Alex Shields for $4,000 at Sheepshead Bay, last Saturday. "There is one of the greatest horses that ever looked through a bridle going for a song, while an American goes over to France and pays $75,000 for Adam, for instance. It is a shame, that's all I can say."

DECISION IS EXPECTED TODAY.

Cincinnati, O., July 10.—Arguments in the appealed injunction case of the Douglas Park Jockey Club against the Kentucky State Racing Commission were heard in the United States Court of Appeals this morning. It is expected that the court will hand down a decision tomorrow morning.. Senator J. W. Bailey failed to appear as counsel for the Racing Commission.

PETER STERLING WINS CANADIAN DERBY.

La Londe Runs Away, Is Not Caught and Causes the Making of a New Book.

Buffalo, N. Y., July 10.—Before the largest crowd ever seen on the Fort Erie track, A. Brown & Co.'s Lord Esterling—Lucrece colt Peter Sterling romped home the easiest kind of a winner in the Canadian Derby, which was the feature of the meeting's opening today. Jack Dolan was always the choice of the public and he was backed as if it was all over but the cashing. The short price of 9 to 10 was eagerly accepted by the wise ones and Peter Sterling was allowed to drift to 7 to 2. After a short delay caused by Goldmate, they were off to a good start with Henry Watterson leading for three-quarters of a mile. When he was challenged by Shineon, he gave it up and quit. Foley, on Peter Sterling, then loosened up a restraining pull and the Lord Esterling colt went to the front and remained there until the finish. Jack Dolan had no mishaps, had clear sailing and was well ridden. Shineon would have made a better showing under a better rider. The public had a shade the best of it on the day in a speculative way, as five favorites and three well played second choices won.

La Londe, while being taken to the paddock for the seventh race ran away, went outside of the track and could not be found when the saddling bell rang and Judge Price ordered her scratched and twenty minutes for a new book.

JOCKEY IS CAUGHT WITH A BATTERY.

At Denver on Saturday last, the closing day of the meeting at Overland Park, jockey G. Stevens, who comes from Texas, was ruled off the turf for life. While he was at the post on Banner Boy IV., he was found to have in hand an electric battery. The instrument was taken from him and the case reported to Judge Stebbins, who acted promptly under Rule 236 of the Western Jockey Club.

S. S. Bernard, of Colorado Springs, and all of his trotting horses were ruled off for "fixing" a harness race. This is the end of harness racing under the auspices of the Denver-Overland Club. It has been announced that there will be no more mixed meetings at Overland Park and that next year the runners will hold full sway.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

J. W. McG., Toronto, Ont. Your wager was a loser.

J. H., Chicago. W. O. Joplin was in New York yesterday.

J. J., Indianapolis, Ind. The former reply covered the case and is adhered to.

B., Chicago. The parlay won on Handzarra and Sir Huon and was void as to Court Dress and is to be paid.

T. G., Chicago. The bet on Margery won. The identification as "the horse Nicol was on" was sufficient.

J. J. X., St. Louis, Mo. (1) It was D. Austin who rode Doctor Dan in the first race at Latonia, July 5. (2) The parlay on Dolly Spanker, Benvolio and Oasis, June 30, was void as to Dolly Spanker and Benvolio and won as a single bet on Oasis and should be paid as such. (3) The place parlay on Dolly Spanker, Lemon Girl and Bouviac lost.

Bush, Helena, Ark. Having no knowledge of the rules under which the racing was conducted, cannot answer positively, but it must be assumed that in the opinion of the judges it was no race until when the horses went the course for the third and final time and bets would be decided by that running.

MAY IMPROVE ORMONDE'S RIGHT.

Alex Shields says that Ormonde's Right, which was recently castrated, will not be raced until the fall. "He is a tough customer," said Shields, "and would have killed somebody in time if he had not been operated on. He showed me some wonderful work in trials, but burned up a lot of my money because of his ugly disposition in races."

NEW DRESSING FOR THE BAY TRACK.

New York, July 10.—Realizing that the Sheepshead Bay track is a trifle too hard, it is the intention of the management to cover it with more loam before the opening of the September meeting. Trainers are outspoken against the general policy of hardening the local tracks in an effort to create new records.

DODSON TO TRAIN PUBLIC STABLE.

Lexington, Ky., July 10.—Charles Dodson, for several years manager of the Senorita Farm of Captain S. S. Brown, has resigned and will open a public training stable at the Kentucky Association track.

MEETING POSTPONED; NO QUORUM.

Cincinnati, O., July 10.—The meeting of the directors of the American Turf Association, called for this morning, was postponed because there was not a quorum present. Messrs. Parmer and Scott, of the license committee, were absent.

THE MARKET IS SUSTAINED.

IN FOURTEEN DAYS 543 YEARLINGS BRING $407,785, AN AVERAGE OF $750.99.

Only Eleven Sell for $5,000 or More Each—Highest Price $15,000—Recapitulation of Totals and Averages.

The summer series of thoroughbred yearling sales under the auspices of the Fasig-Tipton Company, at their Sheepshead Bay paddocks, ended yesterday afternoon with the auction of the youngsters from Rancocas Stud in New Jersey. The sale period was from June 21 to July 10 and there were yearlings sold every week day save on June 30, which was devoted to an auction of horses in training and on July 2 and 3, which dates were vacated by the sudden decision of James B. Haggin to defer the sales of 125 yearlings from his Elmendorf Stud in Kentucky, until the September period, which will embrace thirteen days, beginning on September 1. Exclusive of the Elmendorf lot, the total number of yearlings catalogued was 700; of these 543 were sold for an aggregate of $407,785, an average of $750.99—a most satisfactory result.

In light of the chaotic conditions in portions of the west and east, this average which compares most favorably with those obtaining at former summer sales, may be really surprising to many. It was predicted in some quarters in the spring and summer of 1905 that the tracks at Chicago and St. Louis would have a most depreciating effect on the demand for yearlings, but it was not shown in the averages. Neither has there been any apparent lack of demand this year. Yet there is room for speculation as to what the values might have been had there been no interruption to racing in any quarter.

Fancy prices did not obtain. There was nothing fanatical about the buying. It was from first to last a solid, sensible market. This, in spite of the imputation that several of the choice ones in the California offering of J. B. Haggin passed to men who are believed to be his agents. There were doubtless many bargains obtained and there appears to be some of this sort in the lots bought by J. O. Keene, Harry Gardner, L. A. Cella, J. G. Follansbee, S. C. Hildreth and Samuel Emery particularly.

There were only eleven youngsters sold for $5,000 or more each. These were closely related to race-horses of high quality and, it is said, are good individuals. The brother to Jonquil brought the top price, $15,000. The half brother to Water Pearl and the brother to Teacress each brought $14,000. The price paid for the brother to Highball was $10,500, and Bonnie Star, the half sister to Blues and Blue Girl, brought $10,000. The following is a list of the eleven stars, their purchasers and prices:

Bay colt, by Watercress—Colonial; Newton Bennington	5,000
Bay filly, by Star Ruby—Flora Hurst; Newton Bennington	5,100
Chestnut filly, by Star Ruby—Fusee; A. J. Joyner	6,500
Bay colt, by Star Ruby—Nayada; Frank J. Farrell	5,600
Chestnut colt, by Golden Garter—Pearl V; A. J. Joyner	14,000
Chestnut colt, by Watercress—Rosette; Newton Bennington	$15,000
Chestnut colt, by Watercress—Teatro; Newton Bennington	14,000
Bonnie Star, ch. f, by Star Shoot—Bonnie Blue II.; H. P. Whitney	10,000
Black colt, by Star Shoot—Janice II.; A. Thompson	5,000
Bay or brown colt, by Ben Strome—Strychinia; S. Paget	10,500
Phoenix National, ch. c, by Handspring—Mon Droit; P. J. Rainey	5,500

WINDSOR RACING STATISTICS.

The Highland Park Club's spring meeting at Windsor opened June 16 and closed July 7. There being no racing on June 29, because of the death of President William Hendrie, of the Ontario Jockey Club, the meeting embraced eighteen instead of nineteen days as originally scheduled. Winner—Ch. c, by Ornament—Eleanor (trained by T. J. Healey).

Went to post at 2:30. At post 3 minutes. Start straggling. Won driving; second and third the same. Monfort ran to his best form and practically forced the pace throughout, drawing away right at the end. Frank Lord, lucky at the start, ran lapped on the winner throughout, but tired in the closing drive under a poor finish. Black Mate closed up fast in the stretch. Mexican Silver had a rough journey and was knocked back on the turn. Dunvallo was going well in the stretch. Judge Davey had no chance at the start. Ben Strong was practically left. Molesey was bumped about from the start and had no chance.

Scratched—63285^{3}Tony Bonero, 102; 63425 Waterfall, 102; 63489 Clements, 102; 63425 Waterspeed, 99.

Winner—Br. g, by The Sailor Prince—Vestal (trained by C. Kiernan).

Went to post at 3:02. At post 2 minutes. Start good. Won driving; second the same; third easily. Tom Cogan took up the running when Loney Haskell bolted and led the remainder of the journey by a comfortable margin, although he was driving at the end to stall off Dunseverrick's rush. The latter ran forwardly throughout and finished with unexpected gameness through the closing quarter of an extra good effort. Yama Christy, which had trailed in the rear for two miles, moved up like a flash in the last half, but jumping poorly, had taken a lot out of him and he could never get up. Dromedary went well for two miles, was, in fact, under a pull and finished with his rider sitting still and can do much better. Loney Haskell made the running for six furlongs and then ran out of the course. Ike showed fine speed and, fencing well for a mile, showed steady improvement.

Scratched—58015 The Lexington Leader, 144.

*Coupled in betting. Time, 1:13⅕.

Winner—Ch. c, by Watercress—Pearl V. (trained by A. J. Joyner).

Went to post at 3:30. At post 3 minutes. Start good. Won easily; second driving; third the same. Water Pearl outlooked his opposition, was very fit and, being judiciously reserved in the early running, made good with a decisive closing sprint and was much the best today. Peter Pan set the early pace, stood a brilliant drive gamely and is a grand colt. Superman, on the inside and reserved in the early running, finished well and earned third place very gamely. Sewell came fast from the rear and ran a grand race. Oran looked thin and overdrawn, lacked early speed and was really never dangerous, although he stuck to his work in game fashion. Ethon ran forwardly for half the journey and then tailed off. The other two were not good enough here.

Peter Pan, singly, show, 6 to 5. Superman, singly, show, 8 to 5. No separate place betting.

Winner—Br. c, by Filigrane—Reckon (trained by M. M. Allen).

Went to post at 4:00. At post 1 minute. Start good. Won driving; second and third the same. Accountant, very fit, maintained close pursuit of the pacemaker from the start, ranged alongside of him at the half and took the lead after a sharp brush, stood off Entree's stretch challenge in the final run and was best. Entree moved up rapidly in the last six furlongs and just failed to get up, running a remarkably good race. Bull's Eye trailed for the first half and improved his position rapidly on the backstretch, went very wide throughout, however, and finished boring out at the end of a fine effort. Ormondale made the running under a choking pull for a mile and succumbed to the winner after a sharp tussle to retain his advantage, came again on the last turn and then tired. McKittredge ran a grand race for him, but was outclassed here. Bohemian showed plenty of speed in pursuit of the leader for a mile, but failed to stay.

Scratched—63300^{3}The Quail, 116; (63428)Kuroki, 126.

Corrected weights—Bull's Eye, 116.

Winner—Ch. f, by Balgowan—Miss Lynah (trained by T. E. Crist).

Went to post at 4:30. At post 2 minutes. Start fair. Won driving; second and third the same. Azelina, shuffled to the rear at the start, closed a big gap in the last half on the outside, ran a very game race and was best. Varietes, on the inside, was gradually chopped off and knocked back, closing a big gap and going like a cyclone at the end. Southern Cross, badly shut off at a critical point on the last turn, came on at the end with a belated rush and put up a very good effort. Sly Ben, away poorly, made up a lot of ground, is rounding to and will do to watch. Esoteric, badly handled, finished like a cyclone. Keator, excessively urged to overhaul the leader in a fierce gale prevailing at the time of running, quit badly in the stretch. Lord of the Forest was knocked to the rear on the last turn. Belle of Portland showed speed to the stretch, where she quit.

Winner—B. g, by Greenan—Degenerate (trained by T. Welch).

Went to post at 5:00. At post 2 minutes. Start good. Won easily; second the same; third driving. Rye, outclassing the others, set the pace throughout and won as his rider pleased. Mandarin, particularly favored by the going, was always in close pursuit of the leader and finished very gamely. Earl Rogers, away poorly and trailing far in the rear, moved up on the far turn and, in a fast finish, got up for third place in the last stride of an extra good effort. Battleaxe ran forwardly and seemed a safe third, but quit badly. Calabash ran as if short and was prominent in the early running. Andria developed brilliant early speed.

Went to post at 5:25. At post 2 minutes. Start good. Won driving; second and third the same. Onatas trailed the early pace and moved up rapidly on the far turn, saved ground on the inside and, challenging in the stretch, outstayed Belgravia after a hard last sixteenth struggle. Belgravia, also reserved in the early running, made a premature move and was unable to withstand Onatas' challenge, but ran a splendid race at the weights. A. Muskoday set a stiff early pace, then succumbed right at the end and can do better. Pirate Polly showed much speed for five furlongs, but failed to stay. Sailor Boy finished well.

Afric Jewel raced Mescal into subjection in the first half and drew away without much effort in the last quarter. Gipsano, off in a good position, was carefully nursed and went over the obstacles in a leisurely manner, withstood three separate challenges and was only cantering at the end. Allegiance began slowly and closed up rapidly from the last jump, but was unable to catch the winner. Trenct the Mere showed speed at the finish only. Madoc was much used in making the pace in the early running and tired. Bob Murphy showed early speed, but ran a bad race and can do better. Little Wally was not energetically ridden.

Overweights—John E. Owens, 4 pounds.

Winner—Ch. c, by Lord Esterling—Lucrece (trained by J. Lyman).

Went to post at 4:15. At post 5 minutes. Start good. Won cantering; second easily; third the same. Peter Sterling was much the best, was saved from the early pace, moved up like a flash at the three-eighths post, wore the leaders down and drew away and won as his rider pleased. Jack Dolan ran forwardly throughout and was well ridden, had no mishaps, but was not in the winner's class today. Goldmate, outrun in the early stages, made a challenge at the head of the stretch, but failed to get in striking distance of the leader. Shineon was the victim of a bad ride, made three separate runs and was all out when the stretch was reached. Henry Watterson made the early running, but only on sufferance.

Restoration won a lucky race, had to go around on the outside to get into a contending position and was in tight quarters all through the stretch and got up in the last stride. Pedro ran a good race and, with a better rider, would have won. Tom Gilroy came from away back and closed a big gap. Reside showed early speed and hung on gamely. Minnie Johnson, away running and having much the best of the start, showed the most speed, but tired in the stretch and just lasted long enough. Mill Song, away poorly and badly handled, finished with a tremendous rush and was in front one stride beyond the finish. Blucher closed up ground steadily from a poor beginning and finished fast. Delsebosa had no mishaps and tired badly. Libation quit. John A. Scott ran a fairly good race only. The others were away too poorly to cut any figure in the result.

Went to post at 3:34. At post 2 minutes. Start good. Won easily; second and third the same. Mildrene, away running, showed much the most speed and, aided by rough tactics on the part of Nicol, who interfered with all the contenders in the first half, came away in the final furlong and won well in hand. Friction, suffering from interference when going fastest in the stretch, ran a good race and finished gamely. Frank Flesher, almost thrown soon after the start, closed a tremendous gap and finished going fast. Went to post at 4:02. At post 2 minutes. Start good. Won driving; second the same. Alma Dufour, skillfully ridden, was restrained in the early stages and moved up gamely after rounding the stretch turn and, responding to hard urging, gradually wore down Cottontown and got up in the final stride. Cottontown, clear of interference, dashed into a long lead soon after the start and led under restraint for the first three-quarters, tired slightly in the stretch, but was kept hard at it and ran a good race. Harry Scott moved up gradually and finished well, is in good form at present and will make good soon. The Minks was badly outrun for the first half and finished fast. Tom Roberts also came fast after a slow beginning. Major T. J. Carson tired badly after going three-quarters. Shawana was interfered with by Major T. J. Carson on the first turn and was badly handled, but ran a poor race.

Kohnoflaw, away running, showed the most speed and, better handled at the end, would have won. Dod Anderson, away poorly and going wide for the entire trip, was gaining at the end and was probably best. Field Lark appeared to be in tight quarters for the first half and was badly ridden for the entire trip. Banposal ran a fairly good race. Revolt had no mishaps.

Topsy Robinson, away fully in motion and clear of interference, showed the most speed and won with plenty in reserve. Granada followed the early pace closely, but was tiring at the end. J. K. F. ran to his best form, trailed far back in the early stages, but moved up resolutely on the stretch turn and, finishing fast, would have been second in a few more strides. Adesso went wide most of the way and ran a fairly good race under poor handling. Bitter Brown tired fast after going three-quarters. The others were never serious contenders.
